

Næstved Havn den 17-03-2020

To all ships visiting Næstved Havn

Due to the latest spreading of the Coronavirus COVID-19, the Danish Authorities have implemented the following measures to increase safety and protect the health of ships crews, customers, guests and employees.

- Ships crews are not allowed to go ashore whilst the ship is in Port, unless necessary for the safe operation of the ship and/or ships movements
- In case going ashore is necessary, take the precautions as recommended by the state authorities and do not leave the Port area.
- It is strongly recommended not to allow any visitors on board the ship unless strictly necessary
- All services required by the ships and ship's crew are to be ordered by email
- Persons wishing to enter Denmark must have a worthy purpose for entering
- For permits to enter Denmark, contact the local police station Tel.: +45 311448
